

Waterford Community Weekly Update from the Director's Desk,

January 12th, 2017

This warmer weather is something that I could get used to. With Maine weather if you blink it will change and with that the weather tomorrow looks to be not so good with freezing rain. If you do have to be on the roads tomorrow then drive safe.

We had a really good turn out on this past Monday with Yoga with Rose. We had 10 people attend and learned lots of new stretches. You do not have to sign up ahead of time of join in on the fun. The cost of the class is \$5.00 per person.

Monday the town office and the schools will be closed in observance of Martin Luther King Jr. Day.

Tuesday will be the senior luncheon we will be serving a few different kinds of soups with biscuits and dessert. Just a reminder that this is the first month we will be having a guest speaker at the luncheon. This month Valerie Cole from Seniors Plus will be teaching us a class called "AARP Fraud and Scam Awareness: How to Protect Yourself". Valerie will be at the Wilkins House from 11:00 to 12:00. Please arrive a few minutes early.

Here is the list of upcoming events:
